

Accessibility Statement for UK iXBRL Viewer (December 2024)

This accessibility statement applies to ukixbrlviewer.org.uk. The UK iXBRL Viewer is owned and operated by the Financial Reporting Council (“FRC”, “us”, “we” or “our”).

We want as many people as possible to be able to use this product. For example, that means you should be able to:

- navigate the product using just a keyboard
- navigate the product using speech recognition software
- listen to most of the product using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)
- zoom in up to 300% without problems

How accessible is the UK iXBRL Viewer?

We launched the current version of the product for Public Beta phase on 16 December 2024. We know some of the iXBRL reports that are queried via the Companies House Registry or Financial Conduct Authority’s National Storage Mechanism to view in the product are not fully accessible, and this is outside the scope of the product as we do not wish to amend the filings.
